

There's a monster in Bernard's garden. He tries to tell his mum and dad but all they say is "Not now, Bernard." When he goes into the garden the monster eats Bernard up, every bit.

Bernard's monster eats him up as he's been ignored. How do you think that makes him feel?
How are you feeling? Can you draw your own monster?

Share your monster on social media with [#NotNowBernard](#)

NOT NOW, BERNARD By David McKee
