Join the conversation

The best part of being part of a book club is getting to talk about the book with others.

Here are some ways you can get involved in the conversation.

1. Answer our book club questions: Use the **#BehindTheCoverClub** hashtag to let us know some of your answers. You can find the download link for these questions by clicking [here](#).
2. Send us a book review: You will be put into a prize draw to win a mystery prize! You can download details on how to submit your review and guidance on how to write it by clicking [here](#).
3. The Instagram GIF challenge: Save the image on to your phone or device, upload it as a story on Instagram and use the GIF sticker function to fill in the blanks with GIFs (or you could just use emojis!) You can find this image available to download [here](#).
4. Upload our **#BehindTheCoverClub** stickers to Instagram or Twitter to let us know when you have started and have finished the book. Tell us what you think by including the hashtag **#BehindTheCoverClub**. You can find these stickers available to download [here](#).
5. Take part in our quiz. We will send you quiz questions to your email, and those with the correct answers will be put into a prize draw.

We will be keeping our eyes peeled for who is engaging with the **#BehindTheCoverClub and potential prize winners**
